17 producer marketing, the processing, distributing, or handling in any manner of any
18 commodity by any and all persons that are engaged in such producer marketing,
19 processing, distributing, or handling of such commodity within this state.

20 * * *

21 C.(1) The commissioner may issue a marketing order, applicable to the
22 marketing, within this state, of any commodity, which contains like terms,
23 provisions, methods, and procedures as any license or order that regulates the
24 marketing of such commodity in interstate or foreign commerce which is issued by
25 the secretary of agriculture of the United States pursuant to the provisions of any law
26 or laws of the United States.

27 (2) In selecting the members of any board or other advisory agency under

2 avoid duplicating or conflicting personnel.

3 (3) Any board, agency, or committee so appointed by the commissioner shall
4 be responsible to the commissioner for the performance of such of their duties as

8 ~~Part Chapter~~ shall designate the geographic boundaries which it encompasses such
9 as, parish, districts, or state and shall embrace all persons of a like class that are
10 engaged in a specific and distinctive agricultural industry or trade within the
11 geographic boundaries encompassed by the order.

12 * * *

13 F. The purposes and provisions of the ~~Part Chapter~~ which relate to marketing
14 orders are applicable to marketing agreements except as follows:

15 (1) ~~Subsection G of Section 552.10~~ R.S. 3:3510(G), which requires the

18 in the preceding marketing season and a list of the names and addresses of all
19 handlers and the volume of such commodity which was handled by all such handlers,
20 during the preceding marketing season, is not applicable to marketing agreements.

21 (2) ~~Subsections A through E of Section 552.16~~ R.S. 3516(A) through (E),
22 and the provisions of ~~Section 552.19~~ R.S. 3:3519 which prescribe requirements for
23 termination by request in writing, are not applicable to marketing agreements. Prior

25 shall find, that the marketing agreement, or any amendment to it, has been assented
26 to by a sufficient number of signatories that handle a sufficient volume of the
27 commodity which is affected to accomplish the objectives of such agreement or
28 amendment and provide sufficient moneys from assessments levied to defray the

(3) ~~Subsection C of Section 552.25~~ R.S. 3:3525(C) is not applicable to marketing agreements.

* * *

I. The commissioner may issue and make effective a marketing order or marketing agreement which applies to two or more commodities. The producers or handlers of each commodity encompassed by such marketing order or agreement shall have all rights and privileges as though such producers or handlers were directly affected by a marketing order or agreement regulating only a single commodity. If the producers or handlers of one commodity who are directly affected by a marketing order or agreement which applies to two or more commodities act to enjoin, amend, suspend, or terminate the provisions thereof to such commodity, the order or agreement shall be enjoined, amended, suspended, or terminated with respect to any other commodity regulated by such order or agreement unless the commissioner finds such injunction, amendment, suspension, or termination respecting one commodity makes continuance of the order or agreement no longer feasible or it fails to attain the objectives of this ~~Part~~ Chapter. A marketing order or agreement applicable to more than one commodity is deemed to be severable with respect to each commodity encompassed by it and also severable as to each sentence, clause, or part as it applies to each commodity. There shall be a clear and concise definition or identification of each commodity regulated by such multiple commodity marketing order or agreement.

§3510. Notice, reports, and hearing

1 A. If the commissioner has reason to believe that the issuance of a marketing
2 order or amendments to an existing marketing order will tend to effectuate the policy
3 of this ~~Part~~ Chapter, he shall give notice of not less than thirty days for a public
4 hearing upon a proposed marketing order of such amendments to such existing
5 market order. In an emergency situation, the commissioner may, upon citing the
6 nature of the emergency in the notice, give less than thirty days notice.

7 * * *

8 C. The notice of hearing shall set forth all of the following:

9 * * *

10 (3) A statement that the commissioner will receive, at such hearing, in
11 addition to testimony and evidence as set forth in ~~Section 552:11~~ R.S. 3:3511,
12 testimony and evidence with respect to the accuracy and sufficiency of lists on file
13 with the commissioner which show the names and addresses of producers or handlers
14 of such commodity that are directly affected by such proposed marketing order or
15 proposed amendments, and the quantities of such commodity which were delivered
16 by such producers to handlers, or handled by such handlers, in the marketing season
17 preceding such hearing.

18 * * *

19 F. Each handler of such commodity that may be directly affected by the
20 provisions of such proposed marketing order shall file such verified report with the
21 commissioner within the time which is specified in Subsection D. Failure or refusal
22 of any handler to file the report within the time which is specified does not invalidate
23 any proceeding which is taken or marketing order which is issued pursuant to this
24 ~~Part~~ Chapter. The commissioner shall proceed upon the basis of such information
25 and reports as may otherwise be available.

26 * * *

27 K. At the hearing, the commissioner shall receive, in addition to other
28 necessary or relevant matters, evidence upon all of the following:

29 (1) The matters which are set forth in ~~Section 552:11~~ R.S. 3:3511.

* * *

M. If the commissioner finds that a referendum shall be had, he shall direct that a referendum be held in accordance with the provisions of ~~Subsections A, B, C, D, and E of Section 552.16~~ R.S. 3:3516(A) through (E), inclusive.

§3511. Findings

A. For marketing orders containing provisions only for the establishment of grade, size, quality, or condition specification, or for uniform grading and inspection, or the elimination of unfair trade practices, or provisions for advertising or sales promotion, or for research, or for the establishment of necessary facilities specified in ~~Section 552.13, or Subsection E~~ R.S. 3:3513(E), the commissioner may issue such marketing order if he makes all of the following findings:

(1) That such marketing order is reasonably calculated to attain the objectives which are sought in such marketing order.

(2) That such marketing order is in conformity with the provisions of this ~~Part Chapter~~ and within the applicable limitations and restrictions which are set forth in this ~~Part Chapter~~ and will tend to effectuate the declared purposes and policies of this ~~Part Chapter~~.

(3) That the interests of consumers are protected in that the powers established by this ~~Part Chapter~~ are being exercised only to the extent which is necessary to attain such objectives.

B. In making any findings pursuant to this Subsection, the commissioner shall base his findings upon the facts, testimony, and evidence which is received at the public hearing together with any other relevant facts which are available to him from official publications or institutions of recognized standing and which are included in the record at such hearing. These findings constitute the final provisions of the marketing order to be presented for referendum vote.

§3512. Advisory boards and committees

* * *

E. A member of an advisory board is entitled to a per diem of twenty-five dollars while engaged in performing his duties that are authorized by this ~~Part~~ Chapter and, with the approval of the advisory board concerned, may receive per diem not to exceed twenty-five dollars per day for each day spent in actual attendance at, or traveling to and from, meetings of the board or on special assignment for the board.

F. The commissioner may authorize an advisory board to do all of the following:

* * *

(3) Incur such expenses, to be paid by the commissioner from monies which are collected as provided in this ~~Part~~ Chapter, as the commissioner may deem necessary and proper to enable the advisory board properly to perform its duties.

* * *

§3513. Terms of marketing orders

A. ~~Except as otherwise provided in R.S. 3:522.5 and R.S. 522.11, any~~ Any marketing order which is issued by the commissioner may contain any or all of the provisions which are prescribed by this Section for regulating, or providing methods for regulating producer marketing, or the handling, or any of the operations of processing or distributing by handlers, of any commodity within this state, but no others.

* * *

F.(1) A marketing order may contain provisions for the establishment of plans for advertising and sales promotion to maintain present markets or to create new or larger markets for any commodity which is grown in this state, or for the prevention, modification, or removal of trade barriers which obstruct the free flow of any commodity to market. The commissioner may prepare, issue, administer, and enforce plans for promoting the sale of any commodity.

(2) Any such plan shall be directed toward increasing the sale of the commodity without reference to any private brand or trade name which is used by any handler with respect to the commodity regulated by the marketing order.

(3) No advertising or sales promotion program shall be issued by the commissioner which makes use of false or unwarranted claims in behalf of any such product, or disparages the quality, value, sale, or use of any other commodity.

* * *

H. A marketing order may contain provisions which relate to the prohibition of unfair trade practices. In addition to the unfair trade practices now prohibited by law, applicable to the processing, distribution, or handling of any commodity within this state, the commission may include in any marketing order which is issued provisions that are designed to correct any trade practice which affects the processing, distributing, or handling of any commodity within this state which the commissioner finds, after a hearing upon the marketing order in which all interested persons are given an opportunity to be heard, is unfair and detrimental to the effectuation of the declared purposes of this **Part Chapter**.

I. A marketing order may contain provisions for carrying on research studies in the production, processing, or distribution of any commodity and for the expenditure of moneys for such purposes. Production research for the purpose of determining the production, processing, and distribution qualities of perennial agricultural commodities may be established for the period of time necessary, not to exceed ten years to make such determination even though the period of time necessary may extend beyond the term of the marketing order or agreement involved, provided the commissioner finds there is no satisfactory alternative method to accomplish the desired research, and provided further, that the commissioner has determined, after conducting a public hearing as provided for in ~~Section 552.10 R.S.~~ 3:3510, and making the necessary findings as required by ~~Section 552.11 R.S.~~ 3:3511, that such proposed research project shall be submitted for a vote of those persons being regulated, and, provided further, that valid votes have been cast in any

1 such vote that represent not less than forty percent of the total number of producers
2 of the commodity on record with the department, or not less than forty percent of the
3 total number of handlers of the commodity on record with the department, or not less
4 than forty percent of each of such producers and handlers of such commodity when
5 both are affected; and provided still further that, in any such voting, a favorable vote
6 was cast by not less than sixty-five percent of the total number of such producers, or
7 such handlers, or both, respectively, and that such producers, handlers, or both,
8 respectively, marketed not less than fifty-one percent of the total quantity of such
9 commodity that was marketed in the preceding marketing season by all of the
10 producers, or handlers, or both, respectively, that cast ballots in the vote for the
11 proposed research study. An advisory board may recommend and the commissioner
12 may approve that the funds necessary for such research be expended by an advisory
13 board annually or allocated in a lump sum and placed in a trust account established
14 by the commissioner for the purpose of ensuring the completion of such project. In
15 the event a trust fund is established, the commissioner may also appoint a board of
16 trustees to assist the commissioner in the administration of such research project. In
17 any research in production or processing which is carried on pursuant to this
18 Subsection, the director of the agricultural experiment station at Louisiana State
19 University and Agricultural and Mechanical College and the advisory board which
20 is provided for in ~~Section 552.12~~ R.S. 3:3512 shall cooperate in selecting the
21 research project which is to be carried on from time to time. Insofar as practicable,
22 the projects shall be carried out by Louisiana State University and Agricultural and
23 Mechanical College, but if the director and the advisory board determine that the
24 university has no facilities for a particular project, or that some other research agency
25 has better facilities for it, the project may be carried out by any other research agency
26 which is selected by the director and the advisory board.

27 * * *

28 L. A marketing order may contain provisions which establish, or provide
29 authority for establishing, and for regulating the permissive use of any official board

1 brand, trade name, or label, or other distinctive designation of grade, quality, or
2 condition, except the grade or quality designations in effect pursuant to state or
3 federal grade standards, for any commodity, whether as such commodity is produced
4 or is delivered by producers to handlers, or as handled or otherwise prepared for
5 market. The permissive use of any such board brand, trade name, or label or other
6 distinctive designation of quality shall be limited to producers and handlers of the
7 commodity that are participating in the marketing agreement or order, and that are
8 in compliance with its provisions and with any regulation, or rule and regulation,
9 which is adopted under it. Any official brand or trade name which is established
10 pursuant to this Subsection shall not be construed as a private brand or trade name
11 with respect to ~~Subsection F of Section 552.13~~ R.S. 3:3513(F).

12 M.

13 * * *

14 (2) For the purposes of this Subsection, (a) assessments established pursuant
15 to ~~Section 552.14~~ R.S. 3:3514 may include an assessment for nonbearing acreage as
16 well as bearing acreage of the commodity affected by such predators, insects,
17 disease, or parasite, and (b) the commissioner may use both the bearing and
